

# DEVON FOOTBALL LEAGUE

#### **Editorial**

Just like that the first month of the new season is complete and what a month it has been, full of goals and drama as the league table slowly starts to take shape. Unfortunately we enter the rest of the season one team short than what we started with as Lakeside Athletic have made the difficult decision to resign from the league with immediate effect. We wish them well for the future and hopefully they will be back in the league in the future.

In August I managed to get myself along to three games within the division and they were all entertaining matches. Firstly I would like to say a thank you to all the hosts clubs who made us feel extremely welcome, we had a warm welcome at all the matches. It is great to see such positive comments about our clubs on football groups online and it is even better to experience the fantastic welcome first hand.

Whilst attending the matches in August I have taken to trying to use a camera I have acquired recently and whilst my photos aren't great (the cover photo is a prime example), I hope to continue learning and keep improving over time. If there are any photographers reading this that may have some spare time to assist in educating a complete novice, feel free to drop me an email and I would be willing to learn. I can be contacted on devonfootballleaguemedia@gmail.com

I am unsure as to what games I will be attending in September but hopefully I will see more of you at games and if you see me with the camera in my hand feel free to come and say hello.

The Devon Premier Cup draw has been made and this can be found on the cups page of the newsletter. This is always a brilliant competition and one that I have fond memories of from over the years. Hopefully one of our clubs can go all the way this season and lift the wonderful silverware in May. Beer Albion are the current holders as they beat

Park United in the showpiece final last season.

This season I have started to write regular weekend preview articles on the website and hopefully this is something which you can all enjoy reading. I am continuing to work hard to improve the league media and I am always happy to receive suggestions and feedback as to what more can be done. It is great to see more clubs also getting involved in social media this season with the amount of our clubs regularly updating their social media pages increasing massively from last season, keep up the great work!

Unfortunately I haven't had a chance to update the all time league table with results from August due to work commitments, this has led to this issue of the newsletter being a little bit rushed. It is due to this same issue that there was no weekend preview for Saturday 7th September as releasing this newsletter was a priority before it became too late into the month. Hopefully this is a one off and I can continue to produce weekly reports.

I look forward to continuing to visit our great clubs and I hope to visit all clubs this season, prioritising those who I didn't get to last season. Keep an eye out for me and I look forward to having a catch up at games in the future.

Enjoy the football

Tom

## **League News**

#### Lakeside Athletic:

The league recently received notification from Lakeside Athletic that they were resigning from the league with immediate effect. We wish them well for the future and hopefully we will see them return to the league one day in the future. Lakeside were founder members of the league and in their opening game of this season they played their 100th league fixture since the Devon League was formed. All records against Lakeside Athletic this season have been expunged and cup games altered. Due to the withdrawal of Lakeside Athletic from the Devon Football League, Dartmouth AFC will receive a bye in the ThirstFitness League Cup.

#### Texting of Results:

Clubs are reminded to please text the result of their match to 07940 830601 once the final whistle has gone. This will help make sure the correct scores are posted on social media accounts. In the past we have waited for results to be input into FA Full Time but this has led to the occasional wrong result when a mistake has been made with inputting the scores.

#### Devon Premier Cup:

The draw for the first round of the Sportslighting Devon Premier Cup has been made and can be seen opposite (or on the next page depending how this is viewed.) Ten clubs are involved in the draw with six sides receiving a bye into the next round. Fixtures are due to be played on Saturday the 5th of October 2024.

#### Teamsheets:

League secretary Dave Loder would like to place his thanks to all clubs from the opening month of the season for correctly completing the new teamsheets and in a timely manner as well. Thank you to all clubs in the league.

#### FA Play Safe Weekend:

This is a gentle reminder to all clubs that the FA Play Safe weekend for the 2024/2025 season takes place on the 28th and 29th of September. This is a weekend where clubs up and down the country come together to help promote awareness of the importance of safeguarding across the beautiful game. More details on this special weekend can be found on www.thefa.com/playsafe

#### Social Media:

It is brilliant to see the amount of clubs within the league using X (Twitter) to promote their upcoming games and posting post match reviews and interviews. It is also great to see how many clubs are complimenting their opponents for their hospitality. Whilst I try and retweet (share) every post to help the clubs promote their games, there are a lost of posts getting missed due to not being seen. Please could clubs ensure they are tagging the league (@devondfl) and South West Sports News (@swsportsnews) so that we get notifications and can share these posts.

#### Match Attendances:

Whilst it is not a mandatory requirement it would be great to see more attendance figures from games being listed on the Full Time website by clubs. This means that more games will be able to be added to our top attendances for the season and we can look back through the archives to create a league records book from all the previous seasons.
